1999 SENATE BILL 223

August 26, 1999 - Introduced by Senators ERPENBACH, ROESSLER, PLACHE and GROBSCHMIDT, cosponsored by Representatives SCHNEIDER, RYBA, MUSSER, MILLER, POWERS and HASENOHRL. Referred to Committee on Labor.

- 1 **AN ACT to amend** 111.93 (3); and **to create** 230.35 (3) (e) 6. of the statutes;
2 **relating to:** the provision of specialized disaster relief services by represented
3 state employees.

Analysis by the Legislative Reference Bureau

Under current law, the department of employment relations operates a program under which a state employee may be granted a leave of absence to help provide specialized disaster relief services through the American Red Cross. Such services include professional, technical or other services that require advanced training or expertise and that are provided to assist persons affected by a disaster. Currently, the employee's appointing authority may grant a leave of absence to an employee if the employee is a certified disaster service volunteer of the American Red Cross, the American Red Cross makes a written request for the services of the employee to the employee's appointing authority and the employee has successfully completed his or her probationary period and has permanent employee status, if the employee's position is included in the classified service.

Under current law, this program permits a leave of absence to provide specialized disaster relief services for not more than 30 work days each year. An employee who is granted a leave of absence to help provide disaster relief services is entitled to his or her base rate of pay during the leave of absence. A leave of absence to provide disaster relief services does not affect the employee's earning of paid annual leave (vacation), sick leave or retirement benefits. Also, for purposes of calculating seniority, pay or pay advancement and performance awards, the time during which

SENATE BILL 223

an employee is on a leave of absence to help provide disaster relief services counts as time served in the state service.

Under current law, because this program affects the wages, fringe benefits, hours or conditions of employment of represented state employees, the program only applies to represented state employees to the extent provided in their collective bargaining agreements. This bill requires that the program apply to represented state employees unless their collective bargaining agreements provide otherwise.

For further information see the *state* fiscal estimate, which will be printed as an appendix to this bill.
